For

Butterfly Garden

If anyone has extra lawn furniture such as lawn chairs, picnic table, birdbath, etc. please consider donating them to the WPU Monarch Butterfly Garden.

Also, if anyone has some hardy perennial plants in their garden that need thinning out, we could use them to fill in ours.

Please call Claire Chomiak 2672 or Ann Appleby 3201.

Here is a link to a listing of plants that butterflies like:
