Your application was selected for "Verification." Verification is a process governed by Federal and/or State regulations and is used to ensure that the information applicants report on the Free Application for Federal Student Aid (FAFSA) is accurate. In this process, WPU will compare information from your 2017-2018 FAFSA with this form, copies of 2015 U.S. Federal Income Tax Return Transcripts, or if applicable, W-2 forms and other financial documents. If there are differences between the information on the FAFSA and your financial documents, WPU will need to make corrections. ***Aid cannot disburse until verification is complete and the deadline to submit ALL forms is 120 days after the last attendance date.***

**Please read and complete all sections below.**

If your biological or adoptive \*parents are divorced or separated, you should have answered the FAFSA questions about the parent you lived with more during the past 12 months.
