WP Changebuilder Project
A collaboration between William Paterson University, NJ Campus Compact and AmeriCorps.

What is the Changebuilder Project?

WP, serving through this project as a “Changebuilder” campus, has committed to creating opportunities for new college volunteers, with each student volunteering on community projects for 40-100 hours per year. The Changebuilder Project will focus on the counties surrounding William Paterson University including Passaic, Essex, Bergen, and Sussex counties.

“Everybody can be great, because everybody can serve!”

⇒ Teambuilding/leadership exercises
