Section 4: Statement on Hazing & Anti-Hazing Agreements

University Wide Hazing Policy
William Paterson University recognizes that hazing is a destructive act that is counterproductive in any setting. Acts of hazing in any form are not tolerated. Hazing is defined as any activity expected of someone joining a group (or to maintain full status in a group) that humiliates, degrades or risks emotional and/or physical harm, regardless of the person's willingness to participate. Any person who participates in an act of hazing is subject to disciplinary action. Acts of hazing include, but are not limited to, the following:

Subtle Hazing
Behaviors that emphasize a power imbalance between new members/rookies and other members of the group or team. Termed "subtle hazing" because these types of hazing are often taken for granted or accepted as "harmless" or meaningless. Subtle hazing typically involves activities or attitudes that breach reasonable standards of mutual respect and place new members/rookies on the receiving end of ridicule, embarrassment, and/or humiliation tactics. New members/rookies often feel the need to endure subtle hazing to feel like part of the group or team. (Some types of subtle hazing may also be considered harassment hazing).

- Deception
- Assigning demerits
- Silence periods with implied threats for violation
- Deprivation of privileges granted to other members
- Requiring new members/rookies to perform duties not assigned to other members
- Socially isolating new members/rookies
- Line-ups and drills/tests on meaningless information
- Name calling
- Requiring "military" behaviors, such as standing at attention, walking in straight lines, rounding corners, etc.
- Requiring new members/rookies to refer to other members with titles (e.g. "Mr.", "Miss") while they are identified with demeaning terms
- Expecting certain items to always be in one’s possession

Harassment Hazing
Behaviors that cause emotional anguish or physical discomfort in order to feel like part of the group. Harassment hazing confuses, frustrates, and causes undue stress for new members/rookies. (Some types of harassment hazing can also be considered violent hazing).

Some Examples:
- Verbal abuse
- Threats or implied threats
- Asking new members to wear embarrassing, humiliating, or conspicuous attire
- Stunt or skit nights with degrading, crude, or humiliating acts
- Expecting new members/rookies to perform personal service to other members such as carrying books, errands, cooking, cleaning etc.
- Sleep deprivation
- Sexual simulations
- Expecting new members/rookies to be deprived of maintaining a normal schedule of bodily cleanliness
- Be expected to harass others
Violent Hazing
Behaviors that have the potential to cause physical and/or emotional, or psychological harm.

Some Examples:
• Forced or coerced alcohol or other drug consumption
• Beating, paddling, or other forms of assault
• Branding
• Forced or coerced ingestion of vile substances or concoctions
• Burning
• Water intoxication
• Expecting abuse or mistreatment of animals
• Public nudity
• Expecting illegal activity
• Bondage
• Abductions/kidnaps
• Exposure to cold weather or extreme heat without appropriate protection

New Jersey Hazing Law
§ 2C:40-3. Hazing; aggravated hazing
a. A person is guilty of hazing, a disorderly persons offense, if, in connection with initiation of applicants to or members of a student or fraternal organization, he knowingly or recklessly organizes, promotes, facilitates or engages in any conduct, other than competitive athletic events, which places or may place another person in danger of bodily injury.
b. A person is guilty of aggravated hazing, a crime of the fourth degree, if he commits an act prohibited in subsection a. which results in serious bodily injury to another person.

§ 18A:3-25. Pledge's Bill of Rights
The Attorney General shall develop a "Pledge's Bill of Rights" which outlines acceptable and unacceptable behavior and activities in regard to the pledge or rushing activities of college and university fraternities and sororities and other similar campus organizations. In developing the bill of rights, the Attorney General shall review the existing pledge and anti-hazing policies and procedures of public and independent institutions of higher education within the State and shall, as appropriate, incorporate those policies into the bill of rights. The Attorney General shall make the "Pledge's Bill of Rights" available to each institution of higher education within the State.

Acknowledgement of Understanding:
Our signatures below certify that we have read, understand, and agree to comply with the William Paterson University Hazing Policy & New Jersey Hazing Law. Failure to adhere to all hazing policies may result in university disciplinary action and/or criminal charges against individual members and/or the entire chapter.
