COLLEGE OF EDUCATION

William Paterson University

Clinical Experience Journal Prompts

Week	Prompt
1	Journal Prompt: Provide a descriptive overview of your district, school, classroom, and curriculum. How does the environment support the learning that is taking place in the classroom? (C3, edTPA, Task 1) <u>NJ School Performance Reports</u> <u>Community Data</u>
2	Journal Prompt: What professional expectations does the school district have for teachers? How do these expectations support the <u>New Jersey Professional Standards for</u> <u>Teachers</u> and the <u>National Education Association's Code of Ethics of the Education</u> <u>Profession</u> ? (C16)
3	Journal Prompt: What are your P-12 learners interests, strengths, needs and developmental domains (cognitive, linguistic, social, emotional and physical)? (C1, edTPA Task 1)
4	Journal Prompt: What classroom management strategies are being used in the classroom by you and your clinical educator? How do these strategies help develop a safe and positive community of learning? (C3, edTPA Task 2)
5	Journal Prompt: What <u>College and Career Ready Practices</u> are being practiced in the classroom as part of the general lessons? What are students doing to practice the College and Career Ready Practice(s)?
6	Reflection Prompt: What researched-based instructional/learning strategy was the most successful and why? (C11, edTPA Task 3)
7	Reflection Prompt: What excites and worries you about being transitioning from a student to a professional? (C16)
8	Journal Prompt: What digital resources have you accessed to research and select teaching and learning strategies to use in your teaching? How did you prompt learner responses to demonstrate understanding of the content being taught? Provide specific examples. (C7, edTPA Task 2)

9	Journal Prompt: As it relates to learner differences, what about your teaching are you most proud or satisfied? What areas need to improve so to better support learner achievement for all learners? (C2, C9, edTPA Task 3)
10	Journal Prompt: What type of questions and questioning techniques do you use in your lessons? How do your questions and questioning techniques build learner knowledge and understanding? (C12, edTPA Task 2)
11	Journal Prompt: Select one lesson taught, reflect and write on what went well and what needs improvement. What evidence are you using to determine what went well and what needs improvement? If you could re-teach the lesson to the same group of learners what would you change to support learner achievement? (C14, edTPA Task 3)
12	Reflection Prompt: How did you provide feedback to learners and how did you engage learners in using the feedback? (C10, edTPA Task 3)
13	Reflection Prompt: Think about a lesson you taught that was not observed by your clinical supervisor. What feedback would you give yourself about the lesson? (C13, edTPA Task 3)
14	Journal Prompt: In what professional development (including grade level meetings, department meetings, IEP meetings etc.) have you participated and how did it influence your teaching practice or your understanding of the profession? (C15)
