#### Week 9 Journal Prompt

What assessment system does the clinical educator and school use to monitor learning? How do learners and their families interact with their assessment data? (C10)

### **Week 9 Reflection Prompt**

Select one lesson taught and review the assessment data. If you could re-teach the lesson again to the same group of learners what would you change to support learner achievement? Make note of what occurred in the lesson taught and reflect on why you would change it to support learner achievement. (C9, C14, edTPA Task 3)
