SESSIONS IS EXPECTED

OPEN TO ALL STUDENTS REGARDLESS OF IDENTITY AND POLITICAL VIEWS

Conocimiento is a practice that was articulated by Gloria E. Anzaldúa as a framework to understand identity formation and critical consciousness of cultural resiliency used by Latina/o/x activists. Through interactive sessions, participants will gain insight into the historical context of Latina/o/x identity, decolonization, and will generate critical consciousness through relationships with themselves and each other. This experience is open to all students regardless of identity and or in terms of political activism.

Participating in this workshop fulfills the Social Justice Leadership Badge 101 Workshop requirement.
