

ANNOUNCEMENT:

Feedback welcome on Draft 1 of Middle States Self-study

The Middle States Steering Committee and Working Groups are pleased to present to the university draft 1 of our Middle States reaccreditation self-study. We welcome feedback from the whole of the university community, faculty, staff, students, and alums.

What we are looking for in your feedback is whether, from your reading, you think we are satisfying the criteria of the seven standards required by Middle States. A survey template is provided to give feedback. You may enter the survey multiple times to provide feedback to the various parts of the document, so you do not need to read it cover to cover to give your feedback.

The self-study and feedback template are located at <https://www.wpunj.edu/institutional-effectiveness/accreditation/>. (See links Middle States Self-study Draft 1 for Review and Template for providing Feedback). Log in is required. Please provide your comments by April 6, 2020.

We welcome and appreciate any and all feedback!
