We all play a role in preventing gender-based violence. Voices Against Violence is a bystander intervention workshop that follows best practices in challenging and changing attitudes about gender-based violence.

*It will help you understand:*

**WHY** intervention is necessary,
**HOW** intervention can positively impact our campus, and
**WHAT** to do when you witness gender-based violence - anything from sexist jokes to victim-blaming to physical assaults.

"This project was supported by Grant No. 2018-WA-AX-0028 awarded by the Office on Violence Against Women, U.S. Department of Justice.
