

Homecoming & Family Day, 2019

The President's Cup

This year, for the very first time, a student organization will be presented with **The President's Cup** at halftime by William Paterson's President Richard Helldobler.

The President's Cup will be awarded to the student group that shows the most WP Pride by bringing back the most alumni for the game, tailgating & carnival.

So call your friends, and encourage them to attend this year's Homecoming event - and be the very first student group to be awarded the President's Cup!

There's no place like...WP!
