

**14<sup>th</sup> ANNUAL UNDERGRADUATE RESEARCH  
SYMPOSIUM  
WILLIAM PATERSON UNIVERSITY**

**Saturday, April 17, 2021**

You are cordially invited to attend and present your research at the 14<sup>th</sup> annual Undergraduate Research Symposium in the Biological and Chemical Sciences at William Paterson University of New Jersey. In its 14<sup>th</sup> year, this regional symposium **will be held virtually** and provides an excellent forum for undergraduate researchers to present their original work at a regional meeting. Posters are invited in the following areas of research:

*Physiology, Behavior, Cell & Molecular Biology, Genetics and Ecology & Evolution, Environmental Science*

*Organic and Inorganic Chemistry, Biochemistry, Nano Chemistry, General & Physical Chemistry and Materials Chemistry*

Posters will be judged by a panel of attending Mentors and awards will be presented to the best undergraduate poster presenters. Participant Abstracts will be published in a Symposium Proceedings. For more information and Free registration log onto:
