

13th Annual Undergraduate Research Symposium
Saturday, April 6, 2019
Department of Biology/Chemistry
William Paterson University of New Jersey

List of Awarders

Cell & Molecular Biology I

1st Place: Marta Tzlatin, Monmouth University

2nd Place: Zachary Padron, Rowan University

Ecology & Environmental Science I

1st Place: Danielle Boyle, Fairleigh Dickinson University

2nd Place: Rutgers University

Microbiology I

1st Place: Daniel Antunes, New Jersey City University

Physiology & Toxicology

1st Place: Ma Veronica Holganza, William Paterson University

2nd Place: Erika Moallem, William Paterson University

Nanochemistry

1st Place: Elijah Cook, William Paterson University

2nd Place: Terrence Hopkins, William Paterson University

Organic Chemistry

1st Place: Leslie Trigoura, William Paterson University

2nd Place: Zena Salem, Seton Hall University

Behavior

1st Place: Danielle Nhan, Fairleigh Dickinson University

2nd Place: Leticia Donato, Fairleigh Dickinson University

Cell & Molecular Biology II

1st Place: Caroline Kratka, Rutgers University

2nd Place: Matthew Goldstein, Fairleigh Dickinson University

Ecology & Environmental Science II

1st Place: Christine Lynch, Caldwell University

2nd Place: Madhav Patel, The College of New Jersey

Genomics & Informatics

1st Place: Alan Abboud, William Paterson University

Microbiology II

1st Place: Joel Kellam, Fairleigh Dickinson University

Materials Chemistry

1st Place: Berthy Jilus, Rutgers University

Theoretical & Physical Chemistry

1st Place: Zaka Asim, New Jersey City University

2nd Place: James Varner, William Paterson University
