

**17th ANNUAL UNDERGRADUATE
RESEARCH SYMPOSIUM
WILLIAM PATERSON UNIVERSITY
Saturday, April 20, 2024**

You are cordially invited to attend and present your research at the 17th annual Undergraduate Research Symposium in the Biological and Chemical Sciences at William Paterson University of New Jersey. This established free of charge regional symposium provides an excellent forum for undergraduate researchers to present their original work at a regional meeting. Posters are invited in the following areas of research:

Physiology & Behavior, Cell & Molecular Biology, Genetics,
Genomics & Bioinformatics, and Ecology & Evolution,
Environmental Science

Organic and Inorganic Chemistry, Biochemistry, Nano
Chemistry, General & Physical Chemistry and
Materials Chemistry

Abstracts will be published in a symposium proceeding and will be judged by a panel of attending Mentors. The awards will be presented to the best undergraduate poster presenters.
