

February 14, 2018

Dear Healthcare Partner,

Please be advised that according to the N.J.A.C. 8:43E-14.2 regulation all healthcare providers including students and faculty must receive training on Human Trafficking. This training can be accomplished by viewing one of the following programs:

Recognizing and Responding to Human Trafficking in a Healthcare Context - published February 2016, by the National Human Trafficking Resource Center (NHTRC)

<https://humantraffickinghotline.org/resources/recognizing-and-responding-human-trafficking-healthcare-context>

OR

Stop. Observe. Ask. Respond to Human Trafficking (SOAR): A Training for Health Care and Social Service Providers, published August 2016, by the United States Department of Health and Human Services

<https://www.acf.hhs.gov/otip/resource/soarhealthcare>

Evidence of completion of this education must be completed by signing the attached attestation form and returning it to Jean Chiappa via email Jeanmariechiappa@primehealthcare.com, fax 973-989-3529 or USPS 400 West Blackwell St. Dover, NJ 07801. **All students and faculty must be in compliance by March 12, 2018.** This will then become an ongoing annual requirement for all students and faculty moving forward. Any student or faculty that fails to show evidence of receiving this training will not be permitted on a Prime Healthcare campus in the state of New Jersey.

Thank you so much for doing your part in the battle against Human Trafficking.

Please let me know if you have any questions or concerns (973-537-3838)

Sincerely,

Jean Chiappa
Regional Contract Coordinator
Prime Healthcare New Jersey

Prime Healthcare

Saving hospitals. Saving jobs. Saving lives.
