

# Graduation Information

## Graduation

We have three graduation dates for the **on-campus program**: *January 25* (fall), *May 25* (spring), and *September 1* (summer). For **WP Online program** we have six graduation dates: *November 1* (fall-1), *January 25* (fall-2), *April 1* (spring-1), *May 25* (spring-2), and *July 31* (summer-1), *September 1* (summer-2). In order for a student to graduate, they must fulfill their requirements, such as, complete all their credits in their major, satisfy financial obligations, and apply for graduation. Any student who misses the deadline can apply for the next semester's graduation. Disregard the comprehensive requirement as this does not apply to nursing students. **Diplomas and official transcripts** will not be available until **4-6 weeks** after the graduation date (degree conferral date). **The Nursing Department DOES NOT SEND TRANSCRIPTS.**

**Note:** Official transcripts will not be available until 4-6 weeks after the graduation date (degree conferral date).

If you need a completion letter because the exam will be taken before transcripts are posted, please email the director, and copy me. Anything over 30 days will require a letter from the University.

**\*If a student has passed their exam, they can only begin practicing once their official transcript is completed.**
