Leave of absence

GRADUATE
NURSING

Two types: [leave of absence](#)

Military Leave of Absence (MLOA):

Students whose military obligations make it difficult or impossible for them to be successful in their academic program. For purposes of granting a MLOA, a military obligation is defined as (a) deployment, (b) mobilization leading to deployment, or (c) attendance at a military school or college.

Medical / Mental Health Leave of Absence:

Students who must interrupt their studies temporarily due to physical or psychological conditions.

Leave of Absence must be requested prior to the start of the term. See the [semester calendar](#) for specific start dates.

To apply for a leave of absence, log onto **WP Connect – Student tab – WP Enrollment Forms – Leave of absence request form**. Leave of Absence may not exceed two years for enrollment purposes. Students who fail to return from the approved leave of absence will be considered a complete withdrawal and will be required to re-apply to the University after a period of two years.

When a student on LOA is ready to enroll in courses, they **must meet with an advisor** to receive guidance on appropriate courses and the process for re-enrollment.

Withdrawals

GRADUATE
NURSING

Three types: [withdrawal](#)

Partial Withdrawal:

Student withdraws from one or more courses but remains enrolled in at least one course for the term

Term/Session Withdrawal: (complete withdrawal during a term or session)

Student withdraws from all courses registered for a term.

Partial and Term/Session Withdrawal: students withdraw from their course(s) via WP Connect within permitted dates published on the [semester calendar](#). Students who do not return the following term/semester may return within two years of withdrawing by consulting with an advisor.

University Withdrawal:

Students who wish to separate completely from the University.

To withdraw from the University, students need to complete the Withdrawal from University Request Form, within the permitted dates published on the semester calendar. The form can be found on **WP Connect – Student tab – WP Enrollment Forms – Withdrawal from University Request Form**.
