

**CURRICULUM VITAE**  
**Jan Mohlman, Ph.D., ABPP**

**Address:** William Paterson University  
300 Pompton Road  
Science Hall, Room 250  
Wayne, NJ 07470  
Phone: (917) 334-1274  
E-mail: mohlmanj@wpunj.edu

**Home Addresses:** 140 Cabrini Blvd., #33  
New York, NY 10033

**Education and Employment:**

July 2020 Director, William Paterson University  
Psy.D. Graduate Program in Clinical Psychology

Sept. 2016 Professor with Tenure, William Paterson University

Sept. 2015- June 2018 Director of Clinical Training, William Paterson University  
Graduate Program in Clinical Psychology

Sept. 2014 Associate Professor, William Paterson University

Sept. 2011–June 2014 Assistant Professor, William Paterson University

2004-2011 Assistant Professor, Psychology Department, Rutgers University

2002-2004 Assistant Professor, Psychology Department, Syracuse University

2002 New York State Licensed Psychologist #015192-1

1999-2002 Postdoctoral Research Fellow, Columbia University Department of Psychiatry

1998-1999 Intern in Clinical Psychology  
University of California, Los Angeles Neuropsychiatric Institute  
(APA Approved Internship)

1998 Ph.D., Clinical Psychology, University of Oregon  
Dissertation: *What Kind of Attention is Necessary for Fear Reduction?  
An Empirical Test of the Emotional Processing Model.* (APA Approved Program)  
Advised by Richard E. Zinbarg and Michael I. Posner

1994 M.S., Psychology, University of Oregon

1993 B.A., Psychology, Magna Cum Laude, UCLA

**Research Interests:**

Etiology, Course, and Treatment of Anxiety Disorders, Anxiety in Older Adults, Cognition and Anxiety, Mechanisms of Cognitive Behavior Therapy, Brain-Behavior Relationships in Psychopathology and Treatment Outcome, Crisis Messaging.

**Accolades for Research and Evidence-Based Clinical Work**

2017-Present Clinical Milestone Recognition: My CBT protocol has now been used to treat over 400 older adults at PINC (Psychological Interventions in Nursing and Community Services), East Berkshire, U.K. Collaborator: Dr. Chris Allen.

2019 Contributing researcher, PEXACOG monthly video seminar  
Norway National Advisory Unit on Ageing & Health, Oslo University Hospital

2011 Research featured in *The Psychological Therapies Matrix*, a guide to planning evidence-based therapies published by the National Health Service of the United Kingdom, Scotland, [http://www.nes.scot.nhs.uk/media/425354/psychology\\_matrix\\_2011s.pdf](http://www.nes.scot.nhs.uk/media/425354/psychology_matrix_2011s.pdf).

### **Awards and Fellowships:**

April, 2021 Member, National Register of Health Service Psychologists, #60994  
March, 2021 American Board of Professional Psychology (ABPP) Certification, Behavioral and Cognitive Therapies  
2018-2019 Research Sabbatical, William Paterson University  
2018 WPU College of Humanities and Social Sciences Faculty Service Award  
2012, 2013, 2015 Summer Research Stipend, Research Center for the Humanities and Social Sciences, William Paterson University  
2011, 2013, 2014 Conference Travel Award, William Paterson University  
2010 Invited Scholar, Rand Summer Institute, Rand Center for the Study of Aging  
2009 Distinguished Contribution to Undergraduate Education Award, Assistant Professor Level, School of Arts and Sciences, Rutgers University  
2008 Junior Faculty Grant Development Award, Rutgers University  
2007 Outstanding Mentor Award, National Chapter of Psi Chi  
2006 Invited Scholar, Advanced Research Institute, Geriatric Mental Health NIMH and Weill Cornell Medical University  
2004 Vision Fund Award, SU Center for the Study of Teaching & Learning  
2004 Invited Fellow, American Psychological Association Advanced Training Institute, Functional Magnetic Resonance Imaging in Research  
2003 Certificate, Geriatric Scholar Program  
Columbia University and SUNY Upstate Medical University  
2002 Career Development Award, Anxiety Disorders Association of America  
2000 Invited Fellow, NIMH Summer Research Institute, Geriatric Psychiatry  
1999-2002 NIMH Research Fellowship in Geriatric Psychiatry  
Columbia University Department of Psychiatry, NY State Psychiatric Institute  
1996 Grant-in-Aid of Dissertation Research  
Division 12, American Psychological Association  
1995, 1996 Graduate Research Awards, University of Oregon  
1993 General Honors, University of California, Los Angeles  
1993 Honors in Psychology, University of California, Los Angeles

**Editorial:**

2019 Recognized Reviewer, *Cognitive and Behavioral Practice*  
2016 Judge, *International Psychogeriatrics* Paper of the Year  
2015 - Present Recognized Reviewer, *Behavior Therapy*  
2009 – Present Editorial Board, *Journal of Anxiety Disorders*  
2007 - 2010 Newsletter Editor, Neurocognitive Therapies/Translational Research Special Interest Group, Association of Behavioral and Cognitive Therapies.

**Examiner, ABPP Certification:**

April, 2021

**Grant Review:**

2018 Baylor College of Medicine, Collaborative Research Initiative Evaluator  
2016 Research Foundation – Flanders, Belgium, External Grant Evaluator (Fonds Wetenschappelijk Onderzoek - Vlaanderen, FWO)  
2012 University of Padova (Progetti di Ateneo□), External Grant Evaluator  
2005 Research Council Grants, Rutgers University  
2002-2007 Summer Training on Aging Research Topics - Mental Health (START-MH) National Institute of Mental Health (NIMH)

**Thesis Review:**

2019-Present Psychology Doctoral Thesis Examiner and Reviewer, WPU  
2018 Psychology Doctoral Thesis Examiner and Reviewer, The University of Western Australia  
2018- Present Psychology Comprehensive Exam Reviewer, WPU  
2017 Psychology Second Year Project Evaluator, WPU  
2017 Psychology Doctoral Thesis Examiner and Reviewer, The University of Western Australia  
2016 Masters Thesis Advisor, Department of Psychology, Columbia University

**External Faculty Promotion Reviewer:**

2020, 2021 University of Pittsburgh  
2017 California School of Professional Psychology/Alliant International University

**Clinical Training and Supervision:**

2020 Clinical Supervisor, NYS Office of Mental Health Pandemic Practicum  
2016 Underserved Populations Workshop Coordinator, WPU  
2011 - Present Clinical Supervisor, William Paterson University Psychology Department  
2010 - Present Clinical Psychologist, Private Practice, New York, NY  
2004 - 2010 Co-director, Rutgers University Lifespan Anxiety and Depression Clinic  
2004 - 2009 Supervisor in Cognitive Behavior Therapy, Rutgers Psychology Clinic  
2003 Director, Syracuse University Late Life Mental Health Clinic  
2003 Supervisor in Cognitive Behavior Therapy, SUNY Upstate Medical University  
2002-2005 Supervisor, Psychological Services Clinic, Syracuse University  
2000-2002 Supervisor in Cognitive Behavior Therapy, Psychiatry Resident Clinic Columbia University Department of Psychiatry  
2000-2001 Assessor, Cornell Anxiety and Traumatic Stress Program

1999-2002 Therapist, Late Life Anxiety Clinic, Columbia University Department of Psychiatry, New York State Psychiatric Institute  
 1998-1999 Intern in Clinical Psychology, Neuropsychiatric Institute, UCLA; Major rotations in Geriatric Psychiatry and Anxiety Outpatient Clinics (child and adult)  
 1994-1998 Therapist Trainee, University of Oregon  
 1994 Therapist, Oregon Research Institute Smoking Cessation Program  
 1992-1993 Volunteer Counselor, Step Up On Second Shelter for the Homeless Mentally Ill, Santa Monica, CA

**Graduate Teaching:**

2021 Clinical Practicum I  
 2020 Dissertation I  
 2019 Clinical Practicum VI  
 2016-Present Cognition & Affect  
 2015-Present Introduction to Clinical Practice I (Fall), II (Spring)  
 2015-2018 Substance Use – Interventions, Online, William Paterson University  
 2014-Present Clinical Psychopharmacology, William Paterson University  
 2013 Gerontology, Online, William Paterson University  
 2012-2014 Developmental Psychopathology, William Paterson University  
 2011 Group Interventions in Clinical Psychology, William Paterson University  
 2005 - 2009 Seminar in Assessment and Treatment of Older Adults, Rutgers University  
 2005 - 2009 Seminar in Personality Theory, Rutgers University  
 2003 Seminar in Anxiety Disorders and Fear, Syracuse University  
 2003 The Science of Psychotherapy, Syracuse University  
 2001 Issues in Mental Health Research  
 Fordham University Ph.D. Program in Social Work

**Undergraduate Teaching:**

2014 Developmental Psychology, Honors Section, William Paterson University  
 2013-2018 Substance Abuse, William Paterson University  
 2011-2016 General Psychology, Honors Section, William Paterson University  
 2011-2016 Abnormal Psychology, William Paterson University  
 2010 Anxiety Disorders: Research and Treatment, Rutgers University  
 Advanced, writing-intensive course. *Overall course rating: 5.00/5.00*  
 2010 Neuropsychology, Rutgers University  
 2009 Abnormal Psychology Lab, Rutgers University  
*Overall course ratings: 4.65-5.00/5.00*  
 2004 - Present Abnormal Psychology, Rutgers University  
*Overall course ratings: 4.52-5.00/5.00*  
 2002-2004 Abnormal Psychology, Syracuse University  
*Overall course ratings: 4.70/5.00*  
 2001 Introduction to Neurobiology, New School University  
 2000 Basics of Neuropsychological Testing  
 Columbia University Cognition and Emotion Lab  
 1996-1998 Co-Supervisor, Undergraduate Anxiety Practicum, University of Oregon  
 1997-8 Motivation and Emotion, University of Oregon  
 1994-5 Abnormal Psychology, University of Oregon

1994 Teaching Assistant, Research Methods, University of Oregon  
1993-4 Teaching Assistant, Mind and Society, University of Oregon  
1992-Present Supervised approximately 250 undergraduate research assistants at various institutions,  
Sponsored twelve undergraduate honors theses at various institutions (University of Oregon, UCLA, Syracuse University, Rutgers University).

**Mentored WPU Graduate Students Who Advanced to Employment in the Field of Psychology:**

William Tsang

**Mentored WPU Students Who Advanced to a PsyD or PhD Program:**

Liliana Martinez, Brandon Sinisi, Ashley Appleton, Charles Zapata, Kiran Kurshid

**Mentored WPU Undergraduate Students Who Advanced to Employment in the Field of Psychology:**

Lynette Kulhanjian

**Other Mentored Students Who Advanced to a PsyD or PhD Program:**

Alyssa DeVito, Valerie Keil

**Other Mentored Students Who Advanced to Medical School:**

Miriam Campeas

**Adjunct Appointment:**

2002 – Present Mount Sinai School of Medicine, Department of Psychiatry, NY, NY.

**Volunteer Appointment:**

2008 - Present New York State Psychiatric Institute, Biological Studies Unit  
Columbia University Dept. of Psychiatry, NY NY.

**Service to the Field of Clinical Psychology:**

2018 Program Committee, APA's Division 12, Society for a Science of Clinical Psychology.  
2016 Mental Health Consultant, It's MAD (Movement Against Depression); a mental health initiative targeting African Americans with depression in New York City.  
2011 - Present Diversity Committee, APA's Division 12, Society for a Science of Clinical Psychology.  
2011 - Present Executive Committee, Neurocognitive Therapies/Translational Research Special Interest Group, Association for Behavioral and Cognitive Therapies (ABCT).  
2011 - Present Late Life Anxiety Task Force, International Psychogeriatrics Association.  
2008 - 2009 Chair, Local Arrangements Committee, 2009 ABCT Conference.  
Membership Committee, ABCT.  
2006 – 2010 Founder and Chair, Neurocognitive Therapies/Translational Research Special Interest Group, Association for Behavioral and Cognitive Therapies (ABCT).  
2006 – 2010 Awards Committee, ABCT.  
2001-2005 Program Committee, ABCT.

**University Service:**

2020-2021 Promotion Committee Chair, Budget & Space Committee

2019 – 2020 Promotion Committee Chair, WPU Psychology Department

2017 –Institutional Review Board, HSS Curriculum Committee; Departmental Curriculum Committee; Clinical Graduate Program Development Committee; PsyD Admissions Committee, Clinical Search Committee, University Curriculum Committee Review Panel for Expressions.

2016 –Institutional Review Board, HSS Curriculum Committee; Departmental Curriculum Committee; Clinical Graduate Program Development Committee; PsyD Admissions Committee, Clinical Search Committee, University Senate Budget and Finance Committee; University Curriculum Committee Review Panel for Expressions.

2015 - Institutional Review Board, HSS Curriculum Committee; Departmental Curriculum Committee; Clinical Graduate Program Development Committee; PsyD Admissions Committee, Clinical Search Committee, University Senate Budget and Finance Committee; University Curriculum Committee Review Panel for Expressions.

2014 - Institutional Review Board, HSS Curriculum Committee; Departmental Curriculum Committee; Clinical Graduate Program Development Committee; PsyD Admissions Committee, Clinical Search Committee, Psychology Development Committee.

2013 - Departmental Curriculum Committee; HSS Curriculum Committee; Clinical Graduate Program Development Committee; Psychology Assessment Committee, Psychology Development Committee.

2012 - UCC Curriculum Committee (temporary position, substituting for Dr. Winnie Ma); Psychology Assessment Committee, Psychology Development Committee.

2011 - William Paterson University: Academic Advising, Faculty Sponsor – Billiards Club.

2004 – 2010 - Rutgers University: Long Range Planning, Honors, Admissions, Executive, Website.

2002 – 2004 - Syracuse University: Honors, Advising, Admissions, APA Self-Study.

**Invited Presentations:**

Keynote Speaker, Neurocognitive Therapies/Translational Research Special Interest Group, *Honoring the Past, Envisioning the Future*, 50<sup>th</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies, New York, 2016.

CBT Radio, *From symptom to synapse: A neurocognitive perspective on clinical psychology*. August 24, 2015, [cbtradio.libsyn.com/](http://cbtradio.libsyn.com/),

Meet the Authors Interview, The Practice Institute. *From symptom to synapse: A neurocognitive perspective on clinical psychology*. July 29, 2015.

Invited Lecturer, College for a Day. *The science of mood management*. May 2014: Maplewood, NJ.

Invited Speaker, Co-Producer, Neurocognitive and Translational Interventions, Preconference Institute, Association for Behavioral and Cognitive Therapies, November 2013, Nashville, Tennessee.

Invited Lecturer, College for a Day. *Keeping the brain young*. May 2013: Maplewood, NJ.

Invited Speaker, Western Psychiatric Institute and Clinic, Psychiatry Department, University of

Pittsburgh School of Medicine. Transdisciplinary Research in Emotion, Neuroscience and Development (TREND) group. *The future of neurobehavioral interventions*, March 2013, Pittsburgh, PA.

Keynote Speaker, Medical Society of Delaware, University of Delaware. *Brain health: What are clinical psychologists thinking?* March 2013, Newark, DE. □

Invited Presentation, HSS Faculty Research Presentation. *The secret to happiness: Don't forget to read the fine print*. November, 2012, WPU.

Invited Lecturer, One Day University. *Keeping the brain young*. May 2012: New York, NY.

Specialist Masterclass Workshop, Psychology Directorate, National Health Service Education for Scotland, Edinburgh; *Enhanced CBT for anxiety in older adults*, March 2012.

Invited Participant, Clinical Round Table, *Demystifying brain and body measures in clinical psychology research*, 45<sup>th</sup> Annual Meeting of the Association for Cognitive and Behavioral Therapies, November 2011: Toronto.

Speaker, Cognitive Neuroscience Seminar, Cognitive Neuroscience of Aging division at Columbia Medical Center, March 2011.

Grand Rounds, Psychiatry, Montefiore Medical Center. *The incredible shrinking frontal lobe: A model of late life anxiety*. January, 2011.

Speaker, Harvard Club, New York. *Taking the sting out of public speaking*. May, 2010.

Keynote Address. University of Reading, Waller Institute. *The aging mind and the aging brain: A neurocognitive model of late life anxiety and implications for treatment*. March, 2010.

Speaker, Mt. Sinai Mood and Anxiety Disorders Research Group. *The use of neuropsychological testing and cognitive rehabilitation in the treatment of anxiety in adults*. March, 2009.

Speaker, Harvard Club, New York. *The use of virtual reality and technology in treating phobic fear*. November, 2008.

Grand Rounds, Geriatric Psychiatry, UMDNJ/RWJMS. *Innovations in the behavioral treatment of anxiety*. August, 2007.

Invited Participant, Clinical Roundtable Discussion on Anxiety Disorders and Health, sponsored by Anxiety Disorders Association of America; Washington D.C., January, 2006.

Invited Address, Aging Special Interest Group. Aging, executive skills, and anxiety. 38<sup>th</sup> Annual Conference of the Association for the Advancement of Behavior Therapy, November, 2004; New Orleans, LA.

Invited Participant, Clinical Roundtable Discussion on Generalized Anxiety Disorder, sponsored by Anxiety Disorders Association of America; Washington D.C., January, 2004.

Invited Presentation, The role of attention in the treatment of late life anxiety. University of Rochester Medical Center Geriatric Research Group, July, 2003.

Invited Address, Project Advance: Integrating the study of anxiety into the high school classroom. Advance program for teacher education. New York State, May, 2003.

Invited Speaker, Columbia University Cognition and Emotion Lab, Answers to three questions about anxiety and executive functioning. June, 2001.

#### Conference Symposia:

**Mohlman, J.** Symposium speaker and chair. Two New Measures for Assessing the Use of Technology by Older Adults: OATS & STOA. 53<sup>rd</sup> Annual Meeting of the Association for Cognitive and Behavioral Therapies, November 2018: Philadelphia, PA.

**Mohlman, J.**, Clinical Roundtable, Chair. Strategies for Augmenting and Optimizing CBT: Current Status and Links to Neuroscience. 51<sup>st</sup> Annual Meeting of the Association for Cognitive and Behavioral Therapies, November 2018: Washington D.C.

- Mohlman, J.** The Role of Executive Function in Anxiety and Depressive Disorders. 51<sup>st</sup> Annual Meeting of the Association for Cognitive and Behavioral Therapies, November 2018: Washington D.C.
- Mohlman, J.** Where are we now? Neurocognitive and translational interventions, a Preconference Institute prior to the 48<sup>th</sup> Annual Meeting of the Association for Cognitive and Behavioral Therapies, November 2014: Philadelphia, PA.
- Mohlman, J.** Dissemination: Neurocognitive and translational interventions, a Preconference Institute prior to the 47<sup>th</sup> Annual Meeting of the Association for Cognitive and Behavioral Therapies, November 2013: Nashville, TN.
- Mohlman, J.** Mood swings and the challenges they bring. Symposium Speaker and Chair, 46<sup>th</sup> Annual Meeting of the Association for Cognitive and Behavioral Therapies, November 2012: National Harbor, MD.
- Mohlman, J.** Neurobehavioral change through cognitive training: Validating neural mechanisms and predicting response, Discussant. 46<sup>th</sup> Annual Meeting of the Association for Cognitive and Behavioral Therapies, November 2012: National Harbor, MD.
- Mohlman, J.** Testing transfer effects in a novel intervention for executive skills deficits and anxiety in Parkinson's disease: Reduction of depressive symptoms. Symposium speaker, 45<sup>th</sup> Annual Conference of the Association of Cognitive and Behavioral Therapies, November, 2011; Toronto.
- Mohlman, J., & Georgescu, B.** Testing a novel intervention for treating executive skills deficits and anxiety in Parkinson's disease. Symposium speaker, Annual Conference of the American Psychological Association. August, 2011; Washington D.C.
- Price, R. B., & **Mohlman, J.** Emotional Stroop performance in older adults: Behavioral and neural correlates of generalized anxiety. 44<sup>th</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies. November 2010; San Francisco, CA.
- Mohlman, J., Eldreth, D., Price, R. B., & Hanson, C.** Shared neural pathways of worry and CBT in late life generalized anxiety disorder. Symposium speaker, 43<sup>rd</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies. November 2009; New York, NY.
- Price, R. B. & **Mohlman, J.** fMRI correlates of Stroop performance in late life GAD. 43<sup>rd</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies. November 2009; New York, NY.
- Mohlman, J.** The importance of neuropsychological testing in late life GAD - Executive functioning, worry, and CBT outcome. Symposium speaker, 42<sup>nd</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies. November 2008; Orlando, FL.
- Mohlman J.** Information processing and cognitive psychopathology across the lifespan. Symposium Co-chair and speaker, 42<sup>nd</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies. November 2008; Orlando, FL.
- Weissman, A.S., Chu, B.C., Reddy, L.A., & **Mohlman, J.** (2008, November). Do unique mechanisms underlie the expression of attention problems in anxious and ADHD youth? Implications for differential diagnosis and treatment planning. Awards Talk presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, Orlando FL.
- Weissman, A.S., Chu, B.C., Reddy, L.A., Bates, M.E., & **Mohlman, J.** (2008, November). General vs. emotion-based attention processing deficits in anxious and inattentive-impulsive youth: Implications for differential diagnosis and CBT. In A. S. Weissman (Chair), The expanding role of neuropsychology in clinical practice. Symposium conducted at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, Orlando, FL.
- Mohlman, J.** More power to the executive? Rationale for and preliminary test of CBT + executive

training for treatment of late life GAD. Symposium speaker, November, 2007. 41<sup>st</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies. Philadelphia, PA.

**Mohlman, J.**, Price, R.B., & Eldreth, D.A. Executive functioning and worry in late life GAD. Symposium speaker, November, 2007. 41<sup>st</sup> Annual Conference of Association for Behavioral And Cognitive Therapies. Philadelphia, PA.

**Mohlman, J.**, Price, R.B., & Eldreth, D.A. From worried to well: New findings in late life GAD. Symposium Chair and speaker, Annual Conference of the Anxiety Disorders Association of America, March 2007, St. Louis, MO.

**Mohlman, J.** Late-life Physical and cognitive changes: Emotional sequelae and predictors of coping. Symposium Co-chair and speaker, 39<sup>th</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies. November 2005; Washington D.C.

**Mohlman, J.** Executive test performance plus volume of prefrontal cortex predicts outcome in CBT for late life GAD. Symposium Chair and speaker, 39<sup>th</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies. November 2005; Washington D.C.

**Mohlman, J.** Executive skills and prefrontal cortex volume as predictors of CBT outcome in anxious older adults. Invited Presentation, Rutgers Newark Psychology Colloquium, October 2005.

**Mohlman, J.** Magnetic resonance imaging as a tool for studying anxiety disorders: Neural sites of cognitive behavioral and pharmacological treatment. Symposium Chair and speaker, Annual Conference of the Anxiety Disorders Association of America, March 2005, Seattle, WA.

**Mohlman, J.** Transfer effects in CBT for late life GAD: Neurocognitive predictors of improvement in depressive symptoms. Symposium speaker, Annual Conference of the Anxiety Disorders Association of America, March 2005, Seattle, WA.

**Mohlman, J.** Axis II and III comorbidity in late life emotional disorders. Symposium Chair and speaker, 37<sup>th</sup> Annual Conference of the Association for the Advancement of Behavior Therapy, November 2003; Boston, MA.

**Mohlman, J.** Features of moderate alcohol use in late life GAD. Symposium presentation, Annual Conference of the Anxiety Disorders Association of America, Toronto, March 2003.

**Mohlman, J.** Neurocognitive mediators of CBT outcome in anxious older adults. Symposium Chair and speaker, 36<sup>th</sup> Annual Conference of the Association for the Advancement of Behavior Therapy, November 2002; Reno, NV.

**Mohlman, J.**, Gorenstein, E., Papp, L., & Gorman, J.M. Efficacy of standard versus enhanced CBT for treating late life GAD. Symposium speaker, Anxiety Disorders Association of America, March 2002 Austin, TX.

**Mohlman, J.**, & Zinbarg, R.E. The structure of anxiety sensitivity in older adults. Symposium speaker, 31<sup>st</sup> Annual Conference of the Association for the Advancement of Behavior Therapy, November 1997; Miami Beach, FL.

**Mohlman, J.** Anxiety in the older adult: Conceptualization and treatment issues. Paper presented at the annual meeting of the Oregon Psychological Association, April 1997; Gleneden, OR.

### **Mental Health Consulting:**

NY, PA, TX Bar Associations, Wiley Publishing, Law School Admission Council

### **Service to the Field of Clinical Psychology**

2017; Consultant on Internship Application Materials

Carlos Albizu University, San Juan, Puerto Rico Ph.D. Program in Clinical Psychology

### **Professional Organizations:**

American Psychological Association, Anxiety Disorders Association of America, Association of Behavior and Cognitive Therapies, American Psychological Society, Gerontological Society of America.

### **Service to the Community:**

Frequent speaker at various Senior Centers in New York and New Jersey.  
Volunteer, various community and advocacy groups.

### **Nonacademic Publications:**

2012 – 2014 NYC Grind, [www.nycgrind.com/author/dr-jan-mohlman](http://www.nycgrind.com/author/dr-jan-mohlman), Bimonthly column on psychology and billiards.

### **Rutgers**

#### **Completed Grants:**

**Center for Clinical and Translational Science Grant, RWJ/UMDNJ Medical University, NIMH (Mohlman, J.)** \$30,000.00 2007-2009

*GAD Across the Lifespan: Linking Current Theory to Prefrontal & Executive Functions.*

**Research Council Grant, Rutgers University (Mohlman, J.)** \$3,000.00 2007-2008

*Efficacy of an Online Workshop for Treating Test Anxiety in College Students.*

**Busch Biomedical Grant, Rutgers University (Mohlman, J.)** \$25,000.00 2004-2006

*Functional & Neurocognitive Predictors of CBT Outcome in Late Life Anxiety.*

**Young Investigator Grant, National Association for Research in Schizophrenia and Depression (NARSAD; Mohlman, J.)** \$60,000.00 2002-2006

*Neurocognitive Predictors of CBT Outcome in Late Life Generalized Anxiety Disorder.*

**Schneller Grant, Syracuse University (Mohlman, J.)** \$5,000.00 2004-2005

*A Model of Presbycusis-Related Attentional Shift as a Risk Factor for Anxiety in Older Adults.*

**NIMH 1R01-MH60951 (Gorman, J.M.)** 2000-2002

*Prospective Study of Relapse Predictors in Panic Disorder.*

**NIMH 1R01-MH535982 (Papp, L.A.)** 1999-2001

*Late Life Anxiety and Medication Taper.*

**NIMH 1F31 MH11551-01A1 Predoctoral National Research Service Award (Mohlman, J., Sponsor, M. Posner)** 1997-1998

*What Kind of Attention is Necessary for Exposure-Based Fear Reduction?*

**NIMH T32 Emotion Research Training Grant (Mohlman, J.)** 1994-1996

*Manipulating Cognitive Versus Visual Attention During In-Vivo Exposure for Spider Fears.*

### **Mentored Students' Research Awards:**

***I. Rebecca B. Price, Ph.D.***

**Postdoctoral Scholar, University of Pittsburgh School of Medicine**

**K23, Mentored Patient-Oriented Research Career Development Award**, 13<sup>th</sup> percentile score, November, 2012.

**Predocctoral National Research Service Award, NIMH (Sponsors: Dennis Charney, Mt. Sinai School of Medicine; Jan Mohlman, Rutgers University).**

*Behavioral and fMRI Correlates of Late Life Generalized Anxiety Disorder.*

February, 2008 – June, 2010.

**Psi Chi/APA Edwin B. Newman Graduate Research Award, 2008**

*Activation in Prefrontal-Amygdalar Circuits During Worry: An fMRI Investigation of Older Adults with Generalized Anxiety Disorder.*

**First Place, 2010 Student Poster Exhibit**

*Emotional Stroop Performance in Older Adults: Behavioral and fMRI Correlates of Generalized Anxiety.*

24th Annual Meeting of the Society for Research in Psychopathology, Seattle, WA.

**First Place, 2008 Student Poster Exhibit**

*Implicit Associations about Suicide in Chronically Depressed Patients Before and After Ketamine Treatment.*

Neurocognitive Therapies/Translational Research SIG, 42<sup>nd</sup> Annual Meeting of the Association for Behavioral and Cognitive Therapies, November 2008, Orlando, FLA.

**First Place, 2007 Student Poster Exhibit**

*Activation in Prefrontal-Amygdalar Circuits During Worry: An fMRI Investigation of Older Adults with and without Generalized Anxiety Disorder.*

Neurocognitive Therapies/Translational Research SIG, 41<sup>st</sup> Annual Meeting of the Association for Behavioral and Cognitive Therapies, November 2007, Philadelphia, PA.

**2. Daniel Chazin, M.S.**

**Second Place, 2009 Student Poster Exhibit**

*Feasibility and Acceptability of a Cognitive Enhancement Intervention in Adults with Parkinson's Disease.*

Neurocognitive Therapies/Translational Research SIG, 43<sup>rd</sup> Annual Meeting of the Association for Behavioral and Cognitive Therapies, November 2009, New York, NY.

**Second Place, 2007 Student Poster Exhibit**

*Correlates of Depressive Symptoms in Late Life GAD: A Role for the Hippocampus?*

Neurocognitive Therapies/Translational Research SIG, 41<sup>st</sup> Annual Meeting of the Association for Behavioral and Cognitive Therapies, November 2007, Philadelphia, PA.

**3. Alison Staples, M.S.**

**Second Place, 2008 Student Poster Exhibit**

*Visual Attention and Pupillography Demonstrate Patterns of Anticipatory Anxiety and Avoidance in Generalized Anxiety Disorder.*

Neurocognitive Therapies/Translational Research SIG, 42<sup>nd</sup> Annual Meeting of the Association for Behavioral and Cognitive Therapies, November 2008, Orlando, FL.

**4. Khushbu Shah, B.S. (Rutgers University, Newark)**

2006 – 2007, Undergraduate Honors Thesis Advisor (Mohlman)

*The Effects of GAD with Comorbid Dysthymia on Cognitive Performance in Older Adults.*

**Phillips Prize for Outstanding Undergraduate Research Proposal**, Rutgers University.

Project accepted for an oral presentation at the 21st National Conference on Undergraduate Research (NCUR 21) at Dominican University of California on April 12 - 14, 2007.

**Erlbaum Award in Cognitive Science**, Psi Chi, 2007.

**5. Michael Marchiano, B.S.**

2008 - 2009, Undergraduate Honors Thesis Advisor (Mohlman)

*Attentional Biases in Soldiers Returning from Iraq and Afghanistan – Do They Exist and Are They Malleable?*

**Aresty Undergraduate Research Grant**, Rutgers University.

**Other Mentored Students:**

**6. Julia Betensky, M.S.** Graduate student in Clinical Psychology at Rutgers.

*Predicting anxiety symptoms in patients with implantable cardiac defibrillators.*

Received a perfect score (1<sup>st</sup> percentile) on Predoctoral NRSA application; the research project of this application was designed by Ms. Betensky and Dr. Mohlman.

**7. Dana A. Eldreth, Ph.D.** in Cognitive Neuroscience awarded Dec. 2007, Rutgers University, Newark. Dissertation: *The Neural Substrates of Worry in Older Adults with Generalized Anxiety Disorder*. Methodology: Functional magnetic resonance imaging and neuropsychological testing.

**8. James Bender, Psy.D.** in Clinical Psychology awarded in June 2008. Dissertation: *Emotional Regulation and GAD in Older Adults*. Graduate School of Applied and Professional Psychology, Rutgers University.

**9. Bianca Georgescu, Psy.D.** Dissertation advisor. Graduate School of Applied and Professional Psychology, Rutgers University.
