

DATE August 25, 2022

NAME Marianne Sullivan

TITLE Professor, Public Health
Director, Global Public Health Honors Track
William Paterson University of New Jersey

ADDRESS University Hall
300 Pompton Rd.
Wayne, New Jersey 07470

CITIZENSHIP United States of America

EDUCATION DrPH, *Sociomedical Sciences*, Mailman School of Public Health,
Columbia University. New York, NY. October 2008.

Dissertation Title: *Game Without End: Politics, Pollution, Public Health and the Tacoma Smelter*, with distinction.

MPH, *Behavioral Sciences*, University of California, Berkeley.
Berkeley, CA. May 1995.

BA, *Cultural Anthropology*, University of Pennsylvania.
Philadelphia, PA. May 1991, *cum laude*.

FELLOWSHIPS American Legacy Foundation Fellow. Columbia University,
Center for Applied Public Health, September 2002-December
2003.

GRANTS **National Science Foundation**, Science and Technology Studies:
Examining Children’s Environmental Health and Science-Based
Regulatory Policy. Award Number 2218566
(Principal Investigator) September 2022-August 2025, \$240,039,
awarded.

National Science Foundation, Collaborative Research: Socio-
economic patterns, public perceptions, and climate vulnerabilities
of water resources and quality in the NY-NJ Watershed. (Co-
Investigator) Proposal Number NSF BCS-2127334/2127335,
January 2022-January 2025, \$292,640, awarded.

Environmental Data and Governance Initiative, (contract), The State of Children's Health Protection at the EPA, fall semester 2020, \$4987.

Radcliff Institute for Advanced Study, Harvard University. Schlesinger Library Research Support Grant. (Principal Investigator) 2015-2016, \$5,000.

Environmental Protection Agency, Science to Achieve Results (STAR) (Principal Investigator). August 2005-September 2008 Award number F5C30521, \$93,550.

National Institute of Justice, Cultural Issues Affecting Domestic Violence Service Utilization in Ethnic and Hard to-Reach Populations (Co-Investigator). 1998; Award number 98-WT-VX-0025, \$119,346

AWARDS

New York Academy of Medicine, Student Essay Prize in the History of Public Health and Medicine, October 2006.

RESEARCH VISITS

Visiting Fellow, **Ecologic Institute**, Berlin, Germany. September 2018-June 2019.

Visiting Scholar, **Rachel Carson Center for Environment and Society, Ludwig-Maximilian University**, Munich, Germany. September 2018-June 2019.

ACADEMIC
APPOINTMENTS

William Paterson University, Department of Public Health
Wayne, NJ

Professor, September 2019-present

Associate Professor, September 2016-August 2019

Assistant Professor, September 2012-August 2016

Hofstra University, School of Education, Health and Human Services, Hempstead, NY

Assistant Professor, September 2010-August 2012

Visiting Assistant Professor, January 2010-May 2010

Led development of MPH program offered jointly by Hofstra University and Northshore LIJ Health System

New York University, College of Nursing, New York, NY

Adjunct Assistant Professor, September 2008-May 2009

OTHER
EMPLOYMENT

Public Health-Seattle & King County, Seattle, WA

Epidemiologist II, January 2004-December 2004

Epidemiologist II, 1999 - 2002

Epidemiologist I, 1997-1999

- Evaluator for NIEHS-funded participatory research project aimed at addressing environmental justice issues in a public housing community in Seattle. Designed the evaluation, qualitative and quantitative data collection instruments, study protocols.
- Developed and implemented community-based participatory evaluation of a domestic violence intervention with refugee and immigrant women.
- Co-led the Community Research Center (CRC), providing technical assistance to community-based agencies and grassroots groups in the areas of program evaluation, needs assessment and grant-writing. Staffed and facilitated the CRC's community advisory committee, issued and reviewed RFAs, worked closely with CBOs and grassroots groups to design evaluations and needs assessments.
- Provided consultation and training to public health staff on integrating public health assessment and evaluation functions into public health practice.
- Investigator on NIH-funded participatory action research project to understand access to and satisfaction with domestic violence services among 9 cultural groups in King County. Played lead role in grant-writing, developing partnerships, designing research, facilitating data collection, data analysis, report writing and manuscript preparation.
- Answered requests for epidemiologic data from the public, media and public health department staff. Explained descriptive data to the public. Monitored health status data and wrote reports for internal and public use.
- Interviewer and qualitative data analyst for study of community and researcher experiences with community-based research in Seattle.

Center for Applied Public Health, Mailman School of Public Health, Columbia University, New York, NY

American Legacy Foundation Fellow, Fall 2002-December 2003

- Designed and coordinated focus groups with Harlem youth and adult residents on tobacco use and smoking, participated in qualitative data analysis.

Department of Pediatrics, University of Washington, Seattle, WA

Consultant, January 1997-March 1997

- Led analysis of the National Medical Expenditure Survey, Survey of American Indians and Alaska Natives for study of asthma hospitalizations and emergency room visits among American Indians and Alaska Natives.

Harborview Injury Prevention and Research Center, University of Washington, Seattle, WA

Research Coordinator, January 1996-January 1997

- Data analyst for research study examining the epidemiology of motor vehicle related injury among American Indians and Alaska Natives in the Pacific Northwest. Developed research questions in collaboration with scientists and non-scientists, analyzed data, and reported results.

Department of Rehabilitation Medicine, University of Washington. Seattle, WA
Research Scientist, July 1995-January 1996

- Performed psychosocial and neuropsychological assessments of head injured patients for study of head injury outcomes.

Contra Costa County Health Services Department, Prevention Program. Pleasant Hill, CA
Research Assistant, January 1995-June 1995

- Developed protocol for screening for and reporting domestic violence in county clinical settings. Collaborated with community based domestic violence service organizations to institutionalize referral of women experiencing domestic violence to appropriate services.

SELECTED
SERVICE

Profession

Researcher, Environmental Data and Governance Initiative (EDGI), January 2017 present.

Government Accountability Project Scientific Integrity Workgroup Member, June 2021-present.

APHA Children's Environmental Health Cross-Section Workgroup Member, March 2021-present.

Author, with Nancy Simcox of APHA Policy Statement on revising the federal occupational lead standard, submitted February 2017 and adopted at November 2017 annual meeting (listed under other peer-reviewed publications).

American Public Health Association, Occupational and Environmental Health Sections, abstract and/or session reviewer, annually.

Member, Policy Committee of the Occupational Health Section, American Public Health Association, Fall 2014-present.

Article reviewer for *International Journal of Occupational and Environmental Health*, *Journal of Health Care for the Poor & Underserved*, *Environmental Geochemistry and Health*, *Journal of Public Health Policy*, *Environmental Science & Technology*, among others.

Book reviewer for the University of Oregon Press.

Grant reviewer for the National Science Foundation.

Departmental

Member, Department of Public Health Re-accreditation workgroup (2020-2021)

Chair, Public Health Faculty Search Committee, (2019-2020), search successful

Chair/Member, Curriculum Committee, (2019-2021)

Member, Research, Tenure and Promotion Committee, (2017-present)

Developed new course outline on Public Health Leadership for proposed MPH program (2020)

Revised master's level Environmental Health course for new MPH program (2020)

Developed Global Health Honors program proposal (2016-2018); approved by Faculty Senate in April 2018.

Developed two new course outlines for Global Public Health Honors program (Fall 2017)

Chair, Departmental Curriculum Committee (2017-2018)

Advisor to Department of Public Health since 2013; load varies from 23-46 advisees; meet with each advisee each semester

Advisor to Global Public Health honors track students since 2019

Conduct numerous teaching evaluations of adjunct and full-time faculty each year

Member, Department of Public Health Faculty Search Committee, (Fall 2014 and Fall 2015)

Chair, MPH Committee, (Fall 2014-Spring 2016)

Member, Curriculum Committee, (Fall 2012-Spring 2016)

Member, Alumni Committee, Fall 2013-Spring 2018

Active contributor/writer for CEPH accreditation self-study (2016-2017)

Developed new course outlines for PBHL 3180/UCC 5 Tobacco as a Public Health Issue; PBHL 5320 Environmental Health (Graduate); PBHL 5305 Public Health Practice Seminar (Graduate) (2016-2017)

Substantially revised courses for CEPH accreditation process including PBHL 3000 Introduction to Public Health; PBHL 3400 Environmental Health; PBHL 4000 Epidemiology

College

Center for Research Advisory Committee, 2021-2022

Curriculum Committee Member, 2021-2022

Curriculum Committee Member, 2014-2016

Assessment Committee Member, 2016-2018

University

Director, Global Public Health Honors Track, 2019-present

Sabbatical committee member, 2019-2020

Task Force Member, WPUNJ Campus Tobacco Free Initiative, 2017-2018

Public Health Representative to Admitted Students Day, April 2018

Public Health Department Commencement Marshall, May 2016

Public Health Representative Majors and Minors Day, Fall 2014 & 2015

Public Health Representative, University Open House, Fall 2012 & 2013

AFT Representative, Fall 2013-September 2015

AFT Scholarship Committee, Spring 2015
