Hi Michelle,

Of course you can use my portfolio at <http://myteacherdude.com/cspahn/>. Thanks for the compliment! The user id is "cean" and the password is "spahn." Hope all is well in your classes and maybe I'll see you at the NJASL conference in December. Talk to you soon!

Hi Cean,

Also a quick question for you -- can I use your exit portfolio/website as an example of a 'Target' (high quality) product for the NCATE team members (who want to see some samples of student work)? Thanks if you agree, but if not, no problem. Just let me know.

Thanks a bunch.  
:) Michelle
