

# Foundation Annual Report

July 1, 2012 – June 30, 2013

September 2013

## History

William Paterson University Foundation, founded in 1992, is a not for profit entity created to support the educational mission of William Paterson University. The Foundation is governed by an independent Board of Directors of 28 private citizens dedicated to enhancing the educational experience of students, enriching resources available to faculty and staff to support pedagogy, research, and creative work, and developing alumni relations in partnership with the University's Alumni Association.

The Foundation through its by-laws is managed by staff from the Office of Institutional Advancement of the University and is presided over by Vice President, Pamela Ferguson, who also serves as President of the Foundation. The Foundation Board meets four times a year, its financial statements are audited by O'Connor Davies, and the investment assets are managed by Goldman Sachs.

The Foundation sponsors several significant fund raising events each year to benefit the William Paterson University. Foremost among these is a premier fund raising event, the annual Legacy Gala Dinner, which honors a dedicated alumnus, friend, and corporation or foundation who have made a significant contribution to William Paterson University and the community. This annual event recognizes leadership and dedication while raising funds to

Legacy Award Gala

support the University's mission of promoting student success and academic excellence.

Another annual fund raising event is the William Paterson University Golf Outing which attracts over 100 alumni and friends of the University for the purpose of increasing the institutions visibility while raising funds for scholarships and academic programming. This popular event is usually held each September at a golf course in Wayne, New Jersey.

In addition to these important events, the Foundation sponsors several receptions in recognition of our generous donors and friends. In November of each year, the Foundation sponsors a Scholarship Dinner, bringing scholarship donors and scholarship recipients together with their scholarship recipients. In December, we host the 50th class year reunion dinner and in May they join the Commencement festivities at the Izod Center. In May, the annual Hobart Manor High Tea is held, with friends of the University's historic manor in attendance.

Lining up a shot at last years golf event

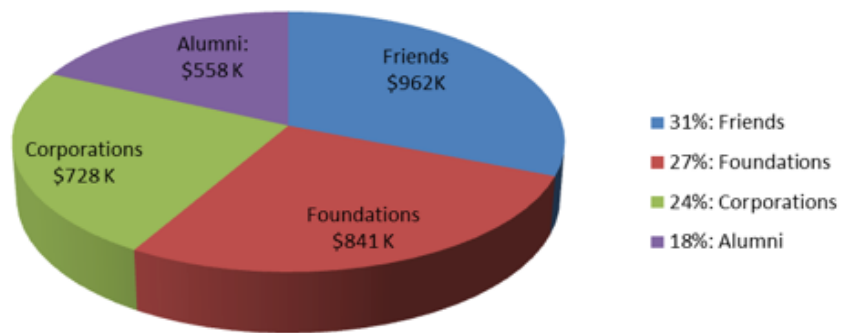

Fiscal Year 2013 represented a year of significant collaboration; collaboration between the Foundation, the Advancement Division, and the University and collaboration between the Foundation Board and the Alumni Association. This collaboration is

building and will continue to build the foundation for support, improve our stewardship of donors, and create a base of alumni and friends who are “informed, involved, and invested” in the life of William Paterson University.

## Fundraising

In fiscal year 2013, the Foundation raised \$3.1 million in cash, gifts-in-kind, bequest intentions, and new pledges. During 2013, the Foundation benefitted from the generosity of 4,254 donors, including alumni, friends, staff and faculty, parents, and individual foundations and corporations, This represents a growth in the number of new and increased donors as a result of our efforts to reach out to more alumni, engage new corporations, and expand our interaction with foundations. The overall fundraising result was less than the previous year due to an unusually large \$1 million closely held stock gift received in fiscal year 2012. However annual fundraising has steadily increased over the past three years.

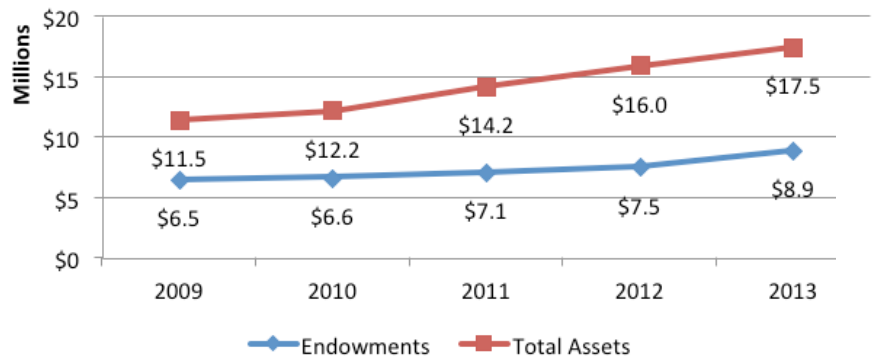

**Fiscal Year 2013 Giving by Constituency**

## Total Assets of the Foundation

The Foundation is steadily growing the total assets of the Foundation which includes new endowments as well as positive returns on the investments under management with Goldman Sachs. The June 30, 2013 audited figure was \$17.5 million; a \$1.6 million increase from fiscal year 2012. We are grateful to our donors! Due to the generosity of donors and in line with the University’s strategic plan, the Foundation increased the endowment by nearly 37% and the total assets of the Foundation by over 52% in the past five years.

**Total Assets and Endowments Fiscal Years 2009-2013**

## The Impact of Generosity

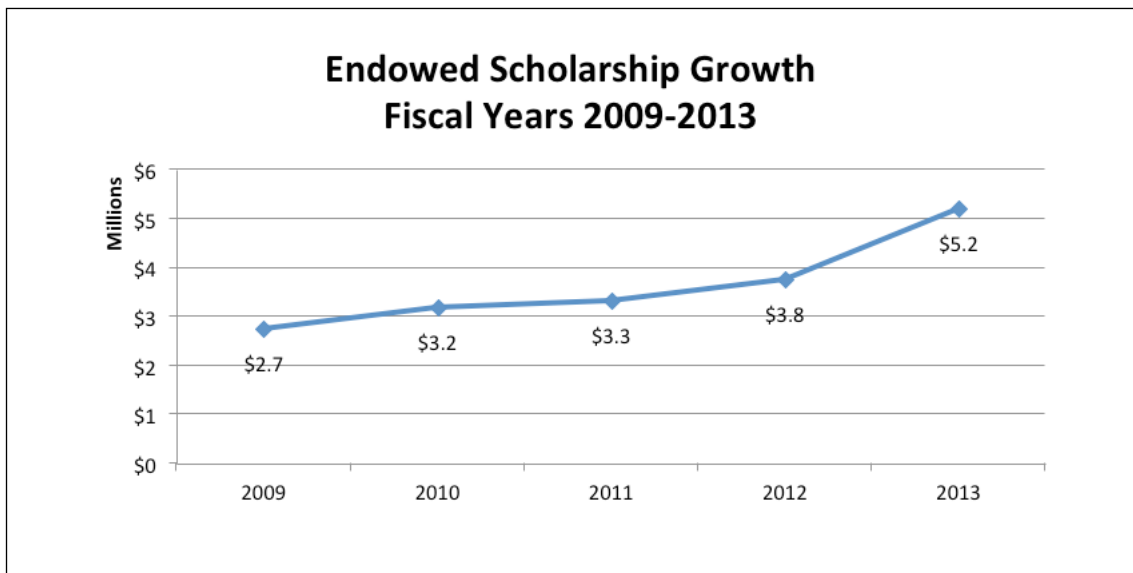

One of the Foundation’s major goals is to increase support for student scholarships. Through the generosity of donors, several new scholarship funds were established in fiscal year 2013. Highlights include: \$442K from the estate of George Foote for students majoring in early childhood education, nearly \$100K in memory of Gerhardt Vosshall for students majoring in Jazz, \$70K from the Roche Foundation for urban high school students who want to pursue a degree in the sciences, \$25K in memory of Joann and Martin Krivin for students majoring in Jazz, \$25K from the Eleanor Stinson Mills Fund for students from the City of Paterson, and \$25K in memory of Charlotte and Louis Sirota for students majoring in early childhood education. This year the Cigna Corporation increased their scholarship funding to \$41K for students in the Nursing doctoral program.

Over the last five years, the Foundation has increased the scholarship endowment by nearly 89%. Through endowment earnings and other restricted scholarships, the Foundation awarded nearly 300

scholarships amounting to nearly a half a million dollars in fiscal year 2013. This figure will continue to grow as new endowments become fully invested.

An additional goal for the Foundation is to increase funding for academic support and student development. Highlights for fiscal year 2013 include: \$236K of consumables and equipment for the College of Science and Health from Roche Pharmaceuticals, a \$150K pledge from the Woodrow Wilson Foundation for teacher development at the master’s level, and a \$25K gift to support the sculpture, digital and media curriculum in the College of Arts and Communication. The Foundation also received generous support from corporations with both local and international footprints for the Cotsakos College of Business’ successful National Sales Challenge at the Russ Berrie Institute for Professional Sales.

Over twenty corporations and foundations provided over \$1.5 M in support to the University. Geraldine Dodge Foundation, Cigna Health Foundation, and Roche Pharmaceuticals all increased their funding to William Paterson this year. Several others generously renewed their funding.

## The Fund for WP

The Fund for WP is the Foundation's annual giving program where friends and alumni alike can make unrestricted gifts to the University. Combined, these gifts of any size, make a significant impact on the students at William Paterson.

Together, these donations help to fund study abroad opportunities, faculty – student research and creative works, travel to national conferences and competitions, and so much more. By combining generous annual donations, the University was able to send sixteen Communication and Finance students to Omaha, Nebraska to meet with Warren Buffet. The Cotsakos College of Business was able to provide support to students who had unpaid internships; the College of Humanities and Social Sciences was able to fund students to study law in the summer abroad program at Cambridge University; the College of

Science and Health had a number of programs that enabled students to do research alongside faculty and the College of Education hired licensed reading specialists to work with the graduate students (in the M.Ed. program in Literacy) to use appropriate assessments/interventions with school-aged students attending the clinic.

## Fundraising Events

The twenty-third annual Legacy Award Gala was held on April 4, 2013 and attended by over 300 people. We honored philanthropists Basem and Muna Hishmeh, alumna Patricia Powell '73, and the UPS Corporation.

Basem and Muna Hishmeh were honored as Distinguished Friends for their dedicated philanthropic activities. Their family foundation supports numerous educational and cultural programs at William Paterson University. Patricia Powell '73 honored as a Distinguished Alumna, is a certified financial planner and president of her own independent financial planning and wealth management services firm, The Powell Financial Group, Inc. Pat is now sharing her knowledge with the next generation of financial planners as an adjunct professor in the University's Cotsakos College of Business. The Foundation also honored UPS, a global leader in logistics as a Distinguished Corporation. UPS has been a corporate sponsor to the University

for over 23 years, providing internship opportunities and entry-level positions, as well as funding for many of the University's key initiatives that support the surrounding communities.

Their partnership and friendship made it possible for us to fulfill our mission of academic excellence and student success. The event netted \$107K, a 39% increase over the previous year.

The Foundation hosted its' fourth annual Golf Outing on September 24, 2012 at Preakness Hills Country Club in Wayne, NJ. Over 100 golfers joined us for a great day on and off the course, raising a net of \$36K in support of scholarships and academic programming as well as university support, while raising the visibility of the University.

## Stewardship

The Foundation hosted a successful scholarship dinner in November 2012 with nearly 300 in attendance. This dinner provided an opportunity for scholarship donors to meet and interact with their scholarship recipients.

**Scholarship students at last years event**

We enhanced our stewardship reporting to our scholarship donors to include a summary of scholarship activity, financial information, an in-depth report on the scholarship recipients, and student letters of appreciation. One hundred and fifty-three such reports were completed.

We hosted a successful Hobart Trophies and Medals event in Hobart Manor, strengthening our relationship with our Passaic County partners.

In May, we hosted a Hobart Manor High Tea in collaboration with the Hobart Manor Revitalization Committee with a record eight-three in attendance. The Committee is working to restore the décor on the second floor of the Manor as well as keep donors fully engaged with the University.

**Hobart trophies and medals ceremony**

## Partnering with the William Paterson University Alumni Association

The Foundation and William Paterson Alumni Association completed a new agreement that better reflects the goals and vision of the University. Together, both groups are focused on increasing the number of alumni meaningfully engaged with the University.

Last year 1,353 alumni participated in alumni relations hosted events; 500 for the first time. Tailgating was introduced to the Homecoming activities, monthly webinars were hosted utilizing alumni expertise. Other events included snow tubing, ice skating at Rockefeller Center, an alumni reception in New York City, just to name a few. This year, over 200 of those who attended an alumni event became first-time donors to the Foundation.

There was steady progress made in building the senior class "Say Thanks"

program knowing that this involvement can lead to continued engagement beyond commencement;

"students for a short time, alumni for a lifetime."

Seniors made a gift to the Senior Class Scholarship

Fund while honoring an individual who made a difference to them during their college career. Tributes were included in the Commencement Program.

Alumni Association representation has steadily increased at important University events such as Freshman Convocation and Commencement, strengthening the message of a student's lifelong relationship with William Paterson University.

## William Paterson University Foundation Statement of Financial Position

	June 30, 2013	June 30, 2012
<b>Assets</b>		
Cash and cash equivalents	\$2,975,366	\$2,345,879

#### **Mary Pospisil**

Program Assistant

### **ALUMNI RELATIONS**

#### **Janis Schwartz**

Executive Director

#### **Sharon Ryan**

Assistant Director,  
Alumni Relations & Communications

#### **Rodney Cauthen**

Alumni Associate

#### **Gina Buffalino**

Program Assistant

## The Mission of the William Paterson University of New Jersey Foundation, Inc.

The role of the William Paterson University of New Jersey Foundation, Inc., is to support the University's mission by securing philanthropic funding through the identification and pursuit of private gifts, grants, and endowments. As the steward of these funds, the Foundation helps William Paterson progress as a preeminent public institution of higher learning in New Jersey.

From its beginning as a normal school in Paterson to today's University accredited by the Middle States Commission on Higher Education, William Paterson has been dedicated to providing educational opportunities and service to the community. Today, William Paterson enrolls more than 11,500 students. Its more than 250 undergraduate and graduate academic programs create opportunities that help students succeed in class, laboratories, and studios throughout

the 370-acre, wooded campus. The institution's 389 full-time faculty are highly distinguished and diverse teachers; many are recipients of prestigious awards and grants including forty-one Fulbright scholars, as well as from the Guggenheim Foundation, the National Endowment for the Humanities, the National Institutes of Health, and the National Science Foundation.
