

Final Cut Pro X Competency Test

This test covers the student's basic knowledge of Final Cut Pro X editing software available to Media Production students. Students may miss up to 4 of the non-essential questions and still pass. If a student misses one of the **essential questions**, it results in automatic failure for that test. Bolded questions are essential.

1	Locate and open Edit Share.
2	Open Final Cut Pro X through the Edit Share window.
3	Copy media to their Edit Share media space.
4	Import media.
5	Explain the purpose of the event library, viewer, and timeline.
6	Drag a clip from the event library and into the timeline.
7	Locate transitions.
8	Change the audio levels.
9	Create a title.
10	Export the project as a Quicktime file.
