

PMW-200
Competency Test

This test covers the student's knowledge of the PMW-200 Cameras available to Media Production students. Students may miss up to 3 of the non-essential questions and still pass. If a student misses one of the **essential questions**, it results in automatic failure for that test. Bolded questions are essential.

1	How do you put on the Battery and turn on the power switch?
2	How do you White balance the camera?
3	How do you put an SD card in the adapter?
4	How do you put the SD adapter in the camera?
5	How do you start recording?
6	How do you manually focus?
7	How do you switch to auto focus?
8	How do you zoom?
9	How do you switch to servo zoom?
10	How do you control the iris manually?
11	How do you switch to automatic iris?
12	Set up the wireless kit.
13	How do you select a wireless mic to be recorded on Channel 1?
14	How do you select the front shotgun mic to be recorded on Channel 2?
15	How do you check your audio levels and, ideally, where should they be?

16	What pieces of equipment are included in the PMW-200 camera case along with the camera and where does each one belong?
	AC Power Adapter
	Batteries (2)
	Battery Charger
	Marker
	Slate
	Remote Control
	SD Card Adapter
	White Balance Card
	Wireless Transmitter (Bodypack)
	Wireless Handheld Mic Plugin
